adobe indesign cc 2014 build 10.2.0.69 serial keygen I've been having trouble finding Adobe inDesign CC 2014 Build 10.2.0.69 on my computer lately. So I decided to download it using the official site. Due to an issue with the browser I'm using, I can't use the official download site, so I downloaded a version from another site that works well. After I downloaded this version, I used it as it was the only version I needed. However, when I
