The login-ID that is a member use is different and the URL that they get from youtube is different from the one that I got. I'm not a member either. You can change your log-in and use the login-ID that is same as the ones that I used. And then you can watch the video. 22.11.2018 : You can watch it by their "youtube" login and not by being a registered member.
